Quarterly Supplement

DIRECTIVE OF CENTRAL INTELLIGENCE DIRECTIVE NO. 1/3

PRIORITY NATIONAL INTELLIGENCE OBJECTIVES

QUARTERLY SUPPLEMENT

(Effective 1 July 1964)

FOREWORD

DCID No. 1/3, revised annually, is intended to serve as a stable basis for long-term intelligence planning by identifying critical intelligence problems deemed likely to persist over a period of five years or so. Such guidance must necessarily be expressed in relatively broad terms.

The purpose of this Quarterly Supplement is to provide more current and specific guidance within the context of DCID No. 1/3, by calling attention to situations which, within the next six months or so, may require some adjustment of present intelligence attention and coverage. The Supplement is intended to guide short-term intelligence planning by anticipating changes in specific situations which may justify either some reduction or some augmentation of effort.

It is not the function of this Supplement to present a complete listing of all matters of intelligence interest. Like DCID No. 1/3
